

El Puente ~ September 2022

Dear Cristhia,

We are delighted to announce the opening of our new office in California, MO.

God is leading the way and providing new opportunities to keep serving our Hispanic brothers and sisters in Central Missouri. As you may know, for the last two decades, El Puente, has been a ministry of presence! We focus our efforts to provide services of support and advocacy to single parents, low-income families, those who are vulnerable, elderly, and sick.

Thanks to your continuous support, this past year we served over 550 individuals in over 400 households. Thank you!

Now we can offer more services in our California office and continue to build bridges, by helping facilitate access to health care, educational opportunities, and resources to the Hispanic population in Central Missouri.

Growing needs support, now more than ever we need you to consider giving to El Puente. This is an opportunity for you to give, knowing that your gift enables us to “*make present the healing love of Jesus the Incarnate Word, promoting human dignity through a ministry of presence and outreach to the Hispanic community*”.
